## Accessories Offer Customers a Memorable, Convenient and Comfortable Experience

### Awnings

Create shade and comfort that customers will appreciate. Many color options available.

### Waste Receptacle

Keeps your car wash clean and makes daily vacuum system maintenance easier. Available as stanchion-mounted or freestanding floor mounted. Powder coated or stainless steel.

### Compressed Air

Clean and dry hard-to-reach areas with this convenient accessory.

### LED Lights

Energy-efficient lighting draws attention to your site while making vacuuming convenient for customers. Dark Sky-compliant.

### Mat Rack

Provides a convenient way to clean floor mats, making vacuuming faster and more efficient. Powder coated or stainless steel.

### Towel Bin

Stores clean towels and collects used ones. Available as stanchion-mounted or freestanding floor mounted. Powder coated or stainless steel. Includes standard graphics or upgrade to custom graphics.
